

17 February

Dear Parents and Carers

Thank you for your patience and flexibility as we've returned to remote learning over the past three days.

This morning Premier Andrews has announced that the Stage 4 lockdown will end at midnight and that all Victorian schools will return to face-to-face learning tomorrow. We look forward to seeing all CSC students back at school in the morning.

In the Premier's announcement he explained that face masks will continue to be a requirement indoors as well as outdoors when physical distancing cannot be achieved. This is an important public health requirement which we must abide by as a school. I remind all students to ensure that they wear their face masks at school as required.

Again, we look forward to resuming classes onsite at CSC tomorrow.

Yours sincerely

Paul Frye
Principal
