### **FURTHER DETAILS ABOUT TERM 3 REMOTE LEARNING**

Dear Parents and Carers

After further planning and discussions over the past two days, I am confirming a few more details about Remote Learning for all CSC students commencing tomorrow (Wednesday). Most of the details about our resumption of Remote Learning are contained within the letter I sent yesterday, and this letter is also posted on our school website. A few further details to note are:

1) Online lessons will occur as per each student's usual timetable. These timetables can be accessed via XUNO.

2) Lesson times each day are:

- 9:00– 9:15: Mentor Group
- 9:15 – 10:00: Period 1
- 10:00 – 10:45: Period 2
- 10:45-11:15 –Morning Break
- 11:15 – 12:00: Period 3
- 12:00 – 12:45: Period 4
- 12:45-1:45 – Lunch Break
- 1:45 – 2:30: Period 5
- 2:30 – 3:15: Period 6

Please note these lesson times apply every day (Monday – Friday). We will not be running an extended mentor group session with different bell times on a Wednesday.

3) Once again, I remind all students and CSC families about the range of supports provided by our Wellbeing Team. Please refer to the Wellbeing section of the CSC website, or follow this link:

As you will see there are options to make easy contact with members of our Wellbeing Team through this web page.

4) Students still have access to their Google Classrooms from Semester One. For those students who have joined new classes this semester, they will receive an email invitation from their teacher to join these new classes.

5) Parents can again receive a choice of daily or weekly Google Classroom updates for their children. If you subscribed to these updates earlier in the year, they should still be occurring. Please email your child's mentor if you would like to sign up for these Google Classroom updates.

Finally, thank you in advance to all parents and carers for your support over the next six weeks. I understand that supporting your children with Remote Learning is not an easy task, and I also realise that many families are feeling stress and anxiety relating to the current pandemic and its economic impact. I urge all families to keep in touch with us to let us know how we can best support you during these challenging times.

Yours sincerely
