

Tuesday 27 July

Dear parents and carers,

This update is to confirm all students across Victorian schools will be returning to on-site learning tomorrow, Wednesday 28 July. This is great news for our community and I thank all parents and carers for the support you have given during this period of remote and flexible learning.

I will provide further information once DET confirms the conditions under which students and staff will return. I do expect the advice will include the compulsory wearing of masks for all students and staff, apart from when staff are providing direct instructions to students. Please provide your child with a mask to wear each day they attend school unless they have an exemption.

I will send a more detailed update later on today.

Stay home, stay safe and I look forward to welcoming all students back on-site tomorrow.

Regards,

Simon Wood
