

Thursday 30 September

Dear parents and carers,

I am sure you will have heard the announcement this afternoon about the return to on-site learning plan for regional Victoria. This staggered approach for all students will minimise risk and help keep all members of the college community safe.

I have provided the information in the table below to support you to understand when your child is expected at school in the first three weeks. For vulnerable children and children of parents or guardians who are on the authorised provider and authorised worker list, access to on-site supervision is still available each day. The appropriate form (attached) must be completed each week for this to continue.

Students not on-site will continue with remote learning. All students will return to on-site learning from Tuesday 26 October. I encourage you to print this table and display it prominently in your household.

Further advice about the return to on-site learning will be sent out as it becomes available.

Take care of yourselves and each other.

Regards,

Simon Wood
