Languages	Health & PE	Science
<ul style="list-style-type: none"> ◆ French ◆ Indonesian 	<ul style="list-style-type: none"> ◆ PE Elective ◆ Outdoor Recreation 	<ul style="list-style-type: none"> ◆ Life Science

FLO at CSC

It is acknowledged that for a number of children and young people, a highly flexible and individualised learning environment, coupled with more intensive wellbeing support and evidence based interventions, can increase engagement and learning outcomes.

Flexible Learning Options (FLOs) play an important role in complementing the work of schools to ensure that the system supports all students, and provides them with access to a high quality education. The FLO program at CSC is offered as part of a continuum of support where a targeted, intensive intervention is required to respond to behavioural, therapeutic and learning needs of a young person in year 9 or 10. There is a strong focus on supporting a student's pathway back into mainstream school, further education, training or employment.

Coordinator: Alyssa.OSullivan@education.vic.gov.au

Steiner at CSC

Castlemaine Secondary College offers an outstanding Steiner Program consistent with the educational principles and practices developed by Austrian philosopher Rudolf Steiner. The CSC Steiner curriculum fits comfortably within the Victorian Curriculum guidelines.

General Advice

Review your MIPs online profile and focus on your

- **interests** - subjects that you like
- **abilities** - subjects that you're good at
- **future aspirations** - subjects needed for your pathway

Seek advice: Who to see?

- Your Mentor teacher
- Year 8 teacher of that subject area
- A Year 9 teacher of that subject area
- Careers Coordinator (Kerri Altken)

Filling Out The Subject Selection Form

Info will be sent to students school email addresses. Students should have the login info, but if not, they can see their mentor.

Enter via the Subjects Link. Then pick your pathway. Once chosen, make sure you read through the information in the notes and rules tab.
