Key staff will be available at these evening sessions, to answer any additional questions. To gather more information, we encourage students to ask mentors and classroom teachers about specific subjects.

Phone appointments with the Leadership Team, will be available from 3:30pm – 4:30pm on Monday 24, Thursday 27, and Monday 31 July. These are designed for students and parent/carers to help with any questions regarding subject selection, that have not previously been covered, through the above-mentioned processes.

Students, with parents/carers assistance, will make their subject selections via an online platform. More details about accessing this platform will be distributed soon.

**Subject selections deadline: 4pm on Wednesday 9 August.**

If you have any questions or require further information, please contact Reception.

Yours sincerely,
